## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-4 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest either alone or in combination an apparatus for use in welding of a seat back frame as recited by claim 1, particularly the first setting means mounted on the receiving base for positioning and holding the seat back frame carried on the receiving base; second setting means for clamping and holding the supporting shaft coupled to the first and second actuating shafts of the first and second locking means provided at the seat back frame; stand bases mounted on the receiving base for supporting the second setting means in such the manner that the second setting means can be swung relative to the stand bases; and the first driving cylinder mounted on the receiving base and coupled to the second setting means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

The prior art of record that is cited as of interest is presented on the form-892.

Art Unit: 1725
